To Whom It May Concern:

Please accept this letter of recommendation on behalf of Jessica Torres. Jessica is my student and she will be finishing her student teaching placement this semester. I have had Jessica in several courses that I teach here at Tennessee Technological University. I have also observed her in the elementary classroom on different occasions. Jessica performs well in her University studies and demonstrates content knowledge and confidence when working with elementary school students. She has an inquisitive nature and a willingness to learn new information.

I believe Jessica would be an excellent choice to fill any K-6 position which might be available. I recommend her without hesitation and would be happy to answer any questions you may have regarding Ms.Torres.

Sincerely,

A handwritten signature in dark blue ink that reads 'Dr. Buddy Martin'. The signature is written in a cursive, flowing style.
